INTRODUCTION.....1

FANTASY FLAVOURS.....2-3

IMPORTANT INFORMATION.....3

We use quality ingredients to give you and your guests a delicious tasting Frozen cocktail. Our Machines are very reliable and easy to operate, just add your choice of alcohol prior to the party and the Partyjuke frozen cocktail machine will mix and freeze ready to serve. Our Frozen cocktail machines work just as well with or without alcohol so for Children's parties or where you would just like a refreshing drink our Frozen Fantasy machines can cater for all.

FANTASY FLAVOURS	WHAT BASE WE USE	YOU MAY ADD

IMPORTANT INFORMATION

Please note that we require a strong sturdy table to sit the machine. When completely filled the double bowl cocktail machine **weighs 60 – 70KG**.

The cocktail machine cannot be delivered to venues that require more than **10 Steps** up or down.

We supply all flavour mixes, however we **DO NOT supply the alcohol**.

We supply 100 cups and straws at no additional cost.

The machine takes between **1 and 3 hours** to freeze.

Once installed we do not allow the machine to be moved.

If there were additional mix left over and you would like to keep it, please inform the driver upon pick up and he will empty the contents into a container for you.
